Dave,

The attached letters are provided in response to your request for examples of the language IPD is using in letters to FOIA requesters now that the CIA Information Act of 1984 is in effect. As the attached show, we now inform new requesters that their request will be processed in accordance with 5 USC 552 and 50 USC 431. For requests received prior to enactment of the new legislation, but were processed in accordance with it, we inform the requester in our final response letter that his request was processed in accordance with 5 USC 552 and 50 USC 431. The attached illustrate this.
